## **Student Research Prize £250**

### **Tuesday 7<sup>th</sup> March 2017**

Cardiff Medical Society invites applications from Medical Students studying in Wales to present their research findings. This may have been done as part of a student selected component to their course or as part of a BSc or as part of a specialist interest. The applicant must have made a significant contribution to the design and writing of the research project being presented. Quantitative and qualitative research submissions are both welcome.

The best six of the submitted abstracts will be selected for presentation at the March meeting of Cardiff Medical Society. Abstracts will be judged on the basis of; General Interest, Scientific Content, Presentation of Data and Importance to the people of Wales (Impact). Successful applicants will be invited to make an oral presentation to this multidisciplinary meeting which is held at **7.30pm at Dental Lecture Theatre, University Hospital of Wales on Tuesday 7<sup>th</sup> March 2017.**

The presentations will be for 9 minutes with 1 minute for discussion. At the end of the evening selected members of the audience will assess the quality of the presentations and **the winner will be awarded £250.**

Please submit a structured abstract of not more than 350 words in length under the following headings: (1) Title, (2) Author(s) (3) Background, (4) Methodology, (5) Results, and (6) Conclusions.

Please **e-mail a copy** of your abstract(s), including your daytime telephone number and e-mail address to:
