Founded 1870**

**Award of the W T Edwards Medal
Tuesday 17th April 2018**

Cardiff Medical Society invites applications from Specialist Registrars and Clinical Research Fellows from across Wales to present their research findings. Applicants must have made a significant personal contribution to the research project being presented. Both Quantitative and qualitative research submissions are welcome. Abstracts will be judged on the following 4 criteria:

- Importance/impact;
- scientific content;
- presentation of data; and
- general interest/presentation skills.

The successful applicants will be invited to make an oral presentation to the monthly meeting held at Dental Lecture Theatre, University Hospital of Wales on Tuesday 17th April 2018 @ 7.30.

Each presentation and any subsequent questions will last for about 10 minutes. Depending on the number of applications and subject matter, 4 to 6 applicants will be invited to present. At the end of the evening a panel from the audience will assess each presentation. There will be a prize for everyone who makes a presentation. In addition, the first, second and third ranked presentations will be awarded £250, £150 and £100 respectively.

Please submit a structured abstract of not more than 350 words in length under the following headings: (1) Title, (2) Author(s) (3) Background, (4) Methodology, (5) Results, and (6) Conclusions. Please **e-mail a copy** of your abstract(s), including your daytime telephone number and e-mail address to:
