Part 1 at 6.00pm - Student presentations for the Cardiff Medical Society Community Health Care Prize. Awarded to a medical student or junior doctor who has undertaken, as a medical student, a project in the community that has contributed to an improvement in health care.
Buffet at 7.00pm
Part 2 at 7.30pm - Dr Geoff Davies MBBCh MRCP FFSEM MSc PGCert MSK US, Consultant Sports Physician & WRU National Team Doctor. Dr Davies will share with us some professional insights into the nature of his role as the Welsh Rugby Union Team Doctor, including reflections on the problems he encountered during the World Cup and the recent Six Nations. Dr Davies has informed us that the style of the presentation will be informal and will include slides and videos, with plenty of time for questions and discussion. New members and guests are very welcome to either or both parts of the evening.
- **14 May 2016**
Society Annual Dinner at SWALEC Stadium

The key innovation last year was offering an optional two part programme. This is something that I propose to continue. We will hold a 'satellite' event between 6 and 7 pm, which is designed to get trainee doctors involved, although everyone is welcome. This will be followed by a buffet at 7.00 and the main event (two or three speakers) between 7.30 and 9.00pm.
